VERSE

Once trapped in darkness You came in like a hammer
And pounded through the walls that were closing in on me
You paid my ransom and broke me out to freedom
I can't contain my praises I'll shout Your victory

CHORUS

I'm not my own I've been bought with a price
You won my heart forever when You offered up Your life
I'm not my own I've been bought with a price
Oh Jesus take my everything I'm running to the light

BRIDGE

I don't deserve it I could never earn it
All by Yourself You set me free
I don't miss what I left behind when I gave up my life
Cause I found You oh Lord
Cause I found You oh Lord
