VERSE 1

I lift my head You have answered my humble cry
You picked me up and rescued my life
I lift my voice singing out Your goodness and grace
There's a new song rising in this place

PRE-CHORUS

Let all Your children proclaim Your marvelous deeds
This freedom melody we can't help but sing

CHORUS

Our songs just won't stop You're forever saving us
We're dancing in the grace we've found
Our love is like a fire our hearts are spinning like a child
This anthem is our forever sound our forever sound

VERSE 2

I lift my hands 'cause I wanna give You all of my life
Surrendered to the grace You provide
I lift my heart thankful for Your perfect design
I am Yours and Jesus You are mine

You set us free so let the praises ring
