VERSE

There is an anthem rising in our hearts
Born from our stories Your presence through it all
A heart-cry of freedom lifted up in praise
A song of redemption in the wonder of Your ways

CHORUS

You have been faithful You are always good
Your ways are constant Your promises are sure
Even in fire You have never left us
Steadfast forever You will never fail

INTERLUDE // Bb - F //

BRIDGE 1

I'll follow You with total abandon
I trust Your heart You know where You're leading
Your promise is the ground I will stand upon

BRIDGE 2

Your faithfulness is history's anthem
Your constant love the song of creation
Let heaven shout You will never fail
