## VERSE 1

Am G/B C  
I hear a whisper in the night  
Am G/B C/E F  
Your loving voice I've heard a thousand times  
Am G/B C  
Calling me out on the waves  
Am G/B C/E F  
To the place where I can only stand by faith  
Am G/B C  
It's what I'm made for anyway

## CHORUS

F Am  
I say yes Lord I say yes Lord  
C G  
I say yes my life is Yours  
Dm F  
When You call me I'll come running  
Am G/B C  
I say yes my life is Yours

## VERSE 2

For there is no One else like You  
You won my heart when You ripped that veil in two  
I hold nothing in these hands  
Just Your promise to be with me to the end  
Jesus lead me on again

## VERSE 3

And on that day when I go home  
And see my Jesus seated on His throne  
I'll find a crown upon my head  
A thousand jewels for every yes I said  
And I'll offer it right back to Him
