## VERSE 1

**E** **C#m**  
For the sake of a wretch like me  
**A** **E**  
You bled and You died  
**E** **C#m**  
While we accused You like an enemy  
**A** **E**  
You laid down Your life

## PRECHORUS

**B** **C#m**  
Oh how could we doubt Your goodness  
**A** **E**  
When the holes in Your hands  
**B**  
Show the depths of Your heart  
**C#m**  
How great is the love You gave us  
**A** **B**  
Here at the cross we remember

## CHORUS

**E** **B**  
Every nail every tear  
**C#m** **E/G#** **A**  
Every burden was ours to bear  
**E/G#** **B**  
But You took our place took our fear  
**C#m** **B** **A**  
And it's by Your scars that we're healed  
**E/G#**  
And You prove Your love

## VERSE 2

To our broken and bitter hearts  
You open Your hands  
You let the doubter come and touch Your scars  
You don't hold anything back

## BRIDGE

**A** **B**  
How great how great is Your love  
**C#m** **E/G#**  
How great how great is Your love  
**A** **B**  
Your scars show how far You would go  
**C#m** **E**  
To prove Your love
