And You're calling me to follow Your lead

You took the cross and You chose the narrow path  
Jesus You held nothing back  
And You're calling me to follow Your lead  
You're calling me to give You everything

**G** **Bm**  
Jesus You went to the uttermost  
**D** **A**  
And I want to follow close wherever You go  
**G** **Bm**  
I believe that You're worth everything  
**D** **A**  
So call me out again I'll go where You lead

## VERSE 3

There is no heart too far gone  
You reach beyond every border that we draw  
You came to rescue the lost  
And You're calling me to follow Your lead  
You're calling me to give You everything

## BRIDGE

**G** **D**  
You are worthy You're worthy of it all

You are worthy You're worthy of it all  
**A** **Em**  
So I'll go where you go I surrender all
