VERSE 1

You bled and You died

While we accused You like an enemy

You laid down Your life

When the holes in Your hands
F#
Show the depths of Your heart

How great is the love You gave us

Here at the cross we remember

CHORUS

B **F#**
Every nail every tear
G#m **B/D#** **E**
Every burden was ours to bear

And You prove Your love

You open Your hands
You let the doubter come and touch Your scars
You don't hold anything back
